1.2 General provisions

1.2.1 Where pursuant to chapter 2 or 4, a fee is payable for any application to the DFSA, the application will not be regarded as submitted until the fee and any supplementary fee has been paid in full.

- 1.2.2** (1) In regard to fees payable pursuant to chapter 3:
- (a) the initial annual fee must be paid in full to the DFSA within 21 days of the date on which the Licence, Recognition or registration is granted or notification made; and
 - (b) subsequent annual fees are payable in advance and must be paid in full to the DFSA:
 - (i) in the case of a Person other than a Registered Auditor, on or before 1 January of the calendar year to which the fee relates; and
 - (ii) in the case of a Registered Auditor, on or before 1 March of the calendar year to which the fee relates.
- (2) When a fee of the kind specified under (1) is not paid in full on or before the due date or within the prescribed period, such non-payment incurs a late payment fee of:
- (a) \$1,000; or
 - (b) an amount equivalent to 3% of the annual fee due.
- whichever is the greater. In addition the annual fee due shall be increased by 1% for each calendar month, or part of a calendar month, that it remains outstanding beyond the due date.
- (3) Nothing in the Rule limits the right of the DFSA to take any other action.

Guidance

1. In regard to the payment of subsequent annual fees, invoices will be issued at least 21 days before the specified date for payment.
2. If a fee is not paid by the date on which it becomes due, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to withdraw authorisation to conduct one or more Financial Services.

1.2.3 In respect of a fee payable pursuant to chapter 5, payment must be made to the DFSA by the Bidder:

- (a) at the time of filing of the Bid Document with the DFSA; and
- (b) before the document is posted.

Guidance

If a fee under chapter 5 is not paid by the date on which it becomes due, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to suspend or cancel listing.

1.2.4 Deleted

1.2.5 The DFSA may reduce, waive or refund all or part of any fee if it considers that, in the exceptional circumstances of a particular case, it would be equitable to do so.

- 1.2.6** (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application, notification or conducting ongoing supervision.
- (2) In such cases the DFSA will notify the Person as soon as reasonably possible of the amount of the supplementary fee.
- (3) Such a supplementary fee is applicable in respect of any fee payable under:
- (a) chapter 2 or 3 other than a fee under section 2.6, 3.7, 3.8 or Rule 3.11.2; and
 - (b) section 4.1.
- (4) A supplementary fee payable under this Rule must be paid within the period specified in the notification under (2).

Guidance

1. A supplementary fee may be levied by the DFSA in circumstances where it expects to incur substantial additional costs in dealing with a matter. Such circumstances could include, for example:
 - (a) complex applications by reason of the applicant's start-up profile, origin, ownership structure or proposed business model;
 - (b) cases where it may be necessary to conduct intense supervisory scrutiny of an entity from a risk perspective;
 - (c) complex waiver or modification requests; complex restructurings or changes in an Authorised Person's structure; or activities which necessitate a change in the Rulebook;
 - (d) novel proposals and applications that cover untested ground or untested areas of the regulatory regime; or
 - (e) if a transaction or event involving a Listed Entity, such as an acquisition, disposal, takeover, merger or significant corporate event, is likely to cause the DFSA to incur substantial additional costs.
2. An example is where the entity is a Branch from a jurisdiction where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in that jurisdiction. Equally, where the entity is incorporated

in the DIFC, a full analysis of the prudential and systems arrangements will be required.

3. A further example is where the Fund Manager of a Domestic Fund delegates activities or out sources functions to an entity in another jurisdiction or to several entities in different jurisdictions where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in those jurisdictions.
4. A supplementary fee may also be levied by the DFSA in cases where the ongoing supervision of the Authorised Person or Domestic Fund appears to the DFSA to be likely to cause it to incur substantial additional costs.

1.2.7 (1) In respect of any fee payable in accordance with FER, the fee must, subject to (2), be paid:

- (a) by the Person to whom the Rule applies;
- (b) in United States Dollars; and
- (c) by bank transfer directly from a bank account maintained by the Person specified in (a) into the DFSA's bank account.

(2) The DFSA will accept payment of a fee in United States Dollars from a member of the applicant's Group, the applicant's Parent, the applicant's legal advisor (where such an advisor is a DNFBP) or a Person who has applied to be a Controller in relation to the applicant but only where:

- (a) the relevant fee is an application fee under section 2.1 or 2.3; and

Table

Additional Fee	
Market capitalisation in USD millions of the Listed Entity	Fee payable in respect of each USD million of market capitalisation
0 to 100	\$0
>100 to 500	\$5
>500 to 5,000	\$1
>5,000 to 10,000	\$0.50
>Greater than 10,000	\$0.25

- (2) In (1), “equity securities” means Shares, Certificates over Shares and Warrants over Shares.
- (3) For the purposes of the table to (1), the market capitalisation of the Listed Entity must be determined as at the last business day in November of the year before the calendar year to which the annual fee relates and is to be based on the official closing price on the AMI at the end of that day.

Guidance

- The market capitalisation of a Listed Entity is calculated by multiplying the number of listed equity securities by the closing price per equity security on the relevant day.
- The following is an example of how the annual fee under Rule 3.11.1 is calculated. A Listed Entity has equity securities admitted to the Official List of Securities. On the last business day of November of the year before the relevant calendar year, it had a market capitalisation of USD 250 million. Its annual fee for the calendar year will be calculated as follows:

Fixed fee	\$2,500
Additional fee, consisting of:	
initial USD 100mn of capitalisation	\$0 (100 x 0)
remaining USD 150mn of capitalisation	\$750 (150 x 5)
Total	\$3,250

- 3.11.2** (1) The DFSA may by notice require a Recognised Person to pay to the DFSA a fee not exceeding \$10,000, being for a year or a part of a year, if the DFSA reasonably expects to incur substantial additional costs during that period in dealing with a matter connected to:
- (a) the Recognised Person's compliance with legislation administered by the DFSA; or
 - (b) the Person's status as a Recognised Person.
- (2) If the DFSA proposes to require payment of a fee under (1), it must notify the Person as soon as reasonably practicable of the amount of the fee.
- (3) A fee payable under (1) must be paid within the period specified in the relevant notice.

Guidance

The DFSA may require the payment of a fee under Rule 3.11.2 in cases including, but not limited to, where a transaction or event involving a Recognised Person is likely to cause the DFSA to incur significant additional costs, such as a matter which will require the DFSA to liaise with the Person's home supervisor, a significant corporate event or a matter that will require additional supervisory scrutiny by the DFSA.

3.12 Transitional

- 3.12.1** The amendments to this chapter made by Rule-making instrument No. 152 of 2015 do not:
- (a) affect the calculation of any annual fee payable under this chapter for the 2015 calendar year (or any part of that year); or
 - (b) require the payment for the 2015 calendar year (or any part of that year) of any new periodic fee introduced in this chapter by those amendments.

Guidance

The DFSA may levy a supplementary fee under Rule 1.2.6 if it appears to it that approval of a Prospectus or other document is likely to cause it to incur substantial additional costs, for example, because the Prospectus or transaction is complex. In such cases, the DFSA will

usually discuss with the Issuer the level of supplementary fee before or as soon as possible after the submission of an application for approval of the document.

4.2 Filing a reference with the FMT

4.2.1 A fee of \$5,000 must be paid to the DFSA before a reference to the FMT is considered filed with the FMT.

4.2.2 The president of the FMT may waive all or part of the \$5,000 filing fee if the Person commencing the reference is an individual and if, in the circumstances, the president considers it is equitable to do so.

4.3 Seeking consent to commence a regulatory proceeding before the FMT

4.3.1 A fee of \$5,000 must be paid to the DFSA by a Person seeking the consent of the DFSA to bring a regulatory proceeding before the FMT.

4.3.2 The DFSA may waive all or part of the \$5,000 fee if the Person seeking the consent is an individual and if, in the circumstances, the DFSA considers it is equitable to do so.

5 TAKEOVER FEES

5.1 Bid Documents

- 5.1.1** (1) Fees are payable on Bid Documents and the Bidder is responsible for the payment to the DFSA of the applicable fee in accordance with (2) and (3).
- (2) The Bidder must pay to the DFSA the fee specified in the right hand column of the table in (4) which corresponds to the value of the Bid specified in the left hand column of the table.
- (3) In regard to the value of the Bid for the purposes of (2):
- (a) where there are alternative Bids, the alternative with the highest value must be used to calculate the value of the Bid. Bids for all classes of equity Share capital must be included in the calculation of the value of the Bid, but Bids for non-equity Share capital, Convertibles, Options and the like must not;
 - (b) when a merger is effected by Bids for both entities by a new entity created to make the Bids, the fee will be determined by the value of the lower of the two Bids; and
 - (c) when the fee falls to be calculated on the basis of the value of the Securities to be issued as consideration, it must be computed by reference to the closing price of the relevant Securities at the last practicable date before the publication of the Bid Document as stated in that document or, as the case may be, by reference to the estimated value of any unlisted Securities consideration given in the document.
- (4) This is the table referred to in (2):

Value of the Bid in US\$ million	Fee in US\$
Less than 5	7,500
Over 5 to 25	15,000
Over 25 to 100	55,000
Over 100 to 500	150,000
Over 500	370,000

Guidance

1. Where a Bidder issues a revised Bid Document that increases the value of the Bid, the DFSA will require payment of the difference between the fee that would be applicable under the table in Rule 5.1.1 (4) in respect of the value of the revised Bid, and the fee previously paid in respect of the value of the initial Bid.

2. In relation to the giving of an estimated value of any unlisted Securities consideration, see TKO Rule 1.4.1 (m).

5.1.2 In all cases a note setting out the calculation of the fee must accompany the Bid Document provided to the DFSA. If the Bid is revised, a similar note must be provided with the revised Bid Document and any necessary further payment.
