1. INTRODUCTION

1.1 Application

1.1.1 This module applies to a Person to whom a provision in legislation administered by the DFSA applies.

1.2 General provisions

Due date for payment of fees

1.2.1 Where pursuant to chapter 2 or 4, a fee is payable for any application to the DFSA, the application will not be regarded as submitted until the fee and any supplementary fee has been paid in full.

1.2.2 In regard to fees payable pursuant to chapter 3:

- (a) the initial annual fee must be paid in full to the DFSA within 21 days of the date on which the Licence, Recognition or registration is granted or notification made; and
- (b) subsequent annual fees are payable in advance and must be paid in full to the DFSA:
 - (i) in the case of a Person other than a Registered Auditor, on or before 1 January of the calendar year to which the fee relates;
 - (ii) in the case of a Registered Auditor, on or before 1 March of the calendar year to which the fee relates; and
 - (iii) in the case of a Passported Fund, on or before the anniversary of the date of notification.

Guidance

In regard to the payment of subsequent annual fees, invoices will be issued at least 21 days before the specified date for payment.

1.2.3 In respect of a fee payable pursuant to chapter 5, payment must be made to the DFSA by the Bidder:

- (a) at the time of filing of the Bid Document with the DFSA; and
- (b) before the document is posted.

Guidance

If a fee under chapter 5 is not paid by the date on which it becomes due, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to suspend or cancel listing.

1.2.4 If a fee is payable under chapter 6 for an application, notification or request, the application, notification or request will not be regarded as submitted until the fee has been paid in full.

1.2.5 If a fee is payable under chapter 7, the fee must be paid in full within 21 days after the DFSA issues an invoice for that fee.

Reduction, waiver or refund of fees

1.2.6 The DFSA may reduce, waive or refund all or part of any fee if it considers that, in the exceptional circumstances of a particular case, it would be equitable to do so.

Supplementary fees

1.2.7 (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application, notification or conducting ongoing supervision.

(2) The procedures in Schedule 3 to the Regulatory Law apply to a decision of the DFSA to require a Person to pay a supplementary fee.

(3) If the DFSA decides to require a Person to pay a supplementary fee, the Person may refer the matter to the FMT for review.

(4) If the DFSA requires a supplementary fee to be paid, it must issue an invoice to the Person concerned and the Person must pay the fee by the date specified in the invoice.

Guidance

1. The application and annual fees already include an element for specified complexity and other circumstances meriting an appropriate increase to the basic fee. However, if, in the DFSA's opinion, the reasonably estimated cost of dealing with a matter (based on the time likely to be spent on it) is likely to exceed the amount provided for in these Rules, the DFSA may impose a supplementary fee to cover the additional time it reasonably expects to spend on the matter. Such circumstances could include, for example:

(a) complex applications by reason of the applicant's start-up profile, origin, ownership structure or proposed business model;

(b) cases where it may be necessary to conduct intense supervisory scrutiny of an entity from a risk perspective;

(c) novel proposals and applications that cover untested ground or untested areas of the regulatory regime;

(d) if a transaction or event involving a Listed Entity, such as an acquisition, disposal, takeover, merger or significant corporate event, is likely to cause the DFSA to incur substantial additional costs; or

(e) if the DFSA is likely to spend significant time on an issue affecting a Recognised Person, such as if the DFSA has to liaise with its home supervisor or carry out additional supervisory scrutiny of the Person.

-
2. The purpose of the supplementary fee is to enable the DFSA to cover its costs for resources used in exceptional circumstances to deal with particular cases. The supplementary fee is not intended to be a general revenue raising tool, nor is it the DFSA's intention to use it as a means to make profits in relation to particular cases.

Method of payment

1.2.8 A fee payable under FER must be paid:

- (a) in United States Dollars; and
- (b) by a bank transfer made to the DFSA's bank account.

Late payment fee

- 1.2.9** (1) If a fee referred to in Rule 1.2.2, 1.2.5 or 1.2.7 is not paid in full by the due date, the non-payment incurs a late payment fee of:
- (a) \$1,000 or an amount equal to 3% of the fee due (whichever is the greater); plus
 - (b) the fee due shall be increased by 1% for each calendar month, or part of a calendar month, that it remains outstanding after the due date.
- (2) Nothing in this Rule limits the right of the DFSA to take any other action.

Guidance

If a Person does not pay a fee by the due date, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to withdraw the Person's authorisation, registration or recognition.

Guidance

Apart from the application fees specified for particular endorsements in Rules 2.1.2, 2.1.3, 2.1.5 and 2.1.6, fees are not payable for applications for other endorsements if made at the same time as an initial application for a Licence. However, if an application for an endorsement is made after a Licence has been granted, a fee will be payable – see for example Rule 2.2.5.

2.2 Application to carry on additional Financial Services

Guidance

Section 2.2 applies to a Person that is already licensed (i.e. an Authorised Firm or Authorised Market Institution), that applies for a further authorisation or endorsement.

2.2.1 An Authorised Firm applying for authorisation to carry on additional Financial Services must pay to the DFSA an application fee equal to the difference between:

(a) the basic fee which would be payable under Rule 2.1.1 (1) if it were an applicant for a Licence in terms currently being sought; and

(b) the basic fee which would be payable under Rule 2.1.1 (1) if it were an applicant for a Licence in terms of that currently held.

-
- 2.2.2** An Authorised Market Institution applying for authorisation to carry on an additional Financial Service must pay to the DFSA:
- (a) an application fee of \$150,000 for the Financial Service of Operating a Clearing House; or

 - (e) to hold Insurance Monies, \$5,000;
 - (f) to conduct Insurance Intermediation activities in respect of contracts of Long-Term Insurance, \$5,000.

Guidance

Only paragraphs (a) and (c) of Rule 2.2.5 are relevant to Authorised Market Institutions.

- 2.2.6** (1) If an Authorised Firm applies to the DFSA to change the scope of its Licence, and no fee is otherwise payable under this section for the application, the Authorised Firm must pay to the DFSA an application fee of \$10,000 for the application.
- (2) Paragraph (1) does not apply to an application that is only to remove an authorisation, endorsement, activity or financial product from a Licence.

Guidance

The reference to a change to the “scope” of a Licence covers any change to an authorisation, endorsement, activity, financial product, restriction or condition on the Licence (for which an application fee is not otherwise payable under this section). For example, an application to amend or remove a restriction on the Licence or to enable a firm to deal in Debentures instead of Shares or to add a product to the list of Investments that the firm may advise on.

2.3 Application to register as a Registered Auditor or Audit Principal

- 2.3.1** An applicant for registration as a Registered Auditor must pay to the DFSA an application fee of \$7,000.
- 2.3.2** (1) An applicant for registration as an Audit Principal must pay to the DFSA an application fee of \$500.
- (2) The fee in (1) does not apply to an application that is made in conjunction with an application for registration as a Registered Auditor.

2.4 Application to register a Public Fund

- 2.4.1** The Fund Manager or the Person proposing to be the Fund Manager of a Domestic Fund which is a Public Fund, who is applying to register the Fund, must pay to the DFSA an application fee of \$1,000.

2.5 Notification of intention to be a Passported Fund

- 2.5.1** (1) A Fund Manager of a Domestic Fund notifying the DFSA of its intention to be a Passported Fund, must pay to the DFSA a notification fee of \$9,500.
- (2) For the purposes of calculating the fee under (1), if the Fund is an umbrella fund, including, without limitation, a segregated portfolio company or cell company, a fee must be paid for each sub-fund, segregated portfolio or cell, as the case may be, instead of for the umbrella fund, segregated portfolio company or cell company.

Guidance

The fee in Rule 2.5.1 is payable only where the DFSA is the Home Regulator of the relevant Domestic Fund that intends to use the passporting procedures (see FPR section 7).

2.6 Application for Recognition as a Recognised Body or Recognised Member

- 2.6.1** An applicant for Recognition as a Recognised Body must pay to the DFSA an application fee of \$15,000.

2.7 Applications relating to Authorised Individuals and Key Individuals

2.7.1 An Authorised Firm applying to the DFSA:

- (a) for Authorised Individual status for an individual;
- (b) to amend an Authorised Individual's authorisation to include a new Licensed Function; or
- (c) to substitute one Authorised Individual for another performing a particular Licensed Function in the Authorised Firm,

must pay to the DFSA an application fee of \$500 for each Authorised Individual for whom it is seeking authorisation; to amend the scope of his authorisation; or to substitute as an Authorised Individual (as the case may be).

2.7.2 An Authorised Market Institution applying to the DFSA:

- (a) for Key Individual status for an individual;
- (b) to amend a Key Individual's authorisation to include a new Licensed Function; or
- (c) to substitute one Key Individual for another performing a particular Licensed Function in the Authorised Market Institution,

must pay to the DFSA an application fee of \$500 for each Key Individual for whom it is seeking authorisation; to amend the scope of his authorisation; or to substitute as a Key Individual (as the case may be).

Guidance

Rules 2.7.1 and 2.7.2 apply if a Person is already licensed by the DFSA and applies to add or change an Authorised Individual or Key Individual. A fee is not payable for an application for Authorised Individual or Key Individual status if the application is made at the same time as an initial application for a Licence.

2.8 Application to add a new cell to an existing PCC

2.8.1 A Licenced PCC applying to add one or more new cells must pay to the DFSA \$1,000 in respect of each cell to be added.

2.9 Application for admittance of Securities to the Official List of Securities

2.9.1 An applicant for admission of Securities to the Official List of Securities must pay to the DFSA an application fee of \$2,500.

Guidance

An applicant for admission of Securities to the Official List of Securities under Rule 2.9.1 may include an applicant who is an Exempt Offeror (as defined in Article 13(2) of the Markets Law).

2.10 Application relating to a business transfer scheme

2.10.1 An Authorised Firm applying under GEN Rule 12.1.5 for DFSA consent to a transfer scheme must pay to the DFSA an application fee of \$5,000.

2.11 Application for a waiver or modification

2.11.1 (1) An applicant for a waiver or modification of any Rule in the Rulebook or any Article of the Markets Law must pay to the DFSA an application fee of \$5,000 if, in the DFSA's opinion, the application involves an issue that is novel or complex or will for any other reason require the DFSA to spend a significant amount of time on the application.

(2) The fee in (1) does not apply if the application for a waiver or modification is made in conjunction with an application for a Licence.

Guidance

The DFSA will in some cases determine that a waiver or modification should be standardised, that is, made available to any applicant meeting certain criteria. No fee will be required for an application for a standard waiver or modification. In other cases, the DFSA will assess on a case-by-case basis whether the criteria for a fee set out in Rule 2.11.1 apply.

3 ANNUAL FEES

3.1 Authorised Firms (initial period)

- 3.1.1** (1) An Authorised Firm must pay to the DFSA the initial annual fee specified in (2) for the initial period of regulation between the date of the grant of its Licence and the end of the year.
- (2) The initial annual fee is the fee which was payable at the time of its application for the Licence, multiplied by the number of whole calendar months between the date of the grant of the Licence and the end of the year divided by 12.

- (2A) For the purposes of calculating the annual fee under (2) an amount referred to:
- (a) in (2)(b) is payable only for the calendar year 2020 and any later calendar year; and

- (3) For the purposes of the table to (1), the market capitalisation of the Listed Entity must be determined as at the last business day in November of the year before the calendar year to which the annual fee relates and is to be based on the official closing price on the AMI at the end of that day.

Guidance

- The market capitalisation of a Listed Entity is calculated by multiplying the number of listed equity securities by the closing price per equity security on the relevant day.
- The following is an example of how the annual fee under Rule 3.11.1 is calculated. A Listed Entity has equity securities admitted to the Official List of Securities. On the last business day of November of the year before the relevant calendar year, it had a market capitalisation of USD 250 million. Its annual fee for the calendar year will be calculated as follows:

| | |
|---------------------------------------|-----------------|
| Fixed fee | \$2,500 |
| Additional fee, consisting of: | |
| initial USD 100mn of capitalisation | \$0 (100 x 0) |

| Total | \$3,250 |

- (2) If an Authorised Firm is granted a Licence after the commencement of the amendment referred to in (1), then for the purposes of calculating the initial annual fee payable by the Authorised Firm under section 3.1, the amendment to the annual fee is to be taken into account.

(4) The fee payable under (1) must be paid to the DFSA before the filing of the Prospectus or other document.

(5) A Prospectus or other document will not be considered to have been properly filed until the fee payable under (1) has been paid to the DFSA.

Guidance

The DFSA may levy a supplementary fee under Rule 1.2.7 if it appears to it that approval of a Prospectus or other document is likely to cause it to incur substantial additional costs, for example, because the Prospectus or transaction is complex. In such cases, the DFSA will usually discuss with the Issuer the level of supplementary fee before, or as soon as possible after, the submission of an application for approval of the document.

4.2 Filing a reference with the FMT

4.2.1 A fee of \$5,000 must be paid to the DFSA before a reference to the FMT is considered filed with the FMT.

- (3) In regard to the value of the Bid for the purposes of (2):
- (a) where there are alternative Bids, the alternative with the highest value must be used to calculate the value of the Bid. Bids for all classes of equity Share capital must be included in the calculation of the value of the Bid, but Bids for non-equity Share capital, Convertibles, Options and the like must not;
 - (b) when a merger is effected by Bids for both entities by a new entity created to make the Bids, the fee will be determined by the value of the lower of the two Bids; and
 - (c) when the fee falls to be calculated on the basis of the value of the Securities to be issued as consideration, it must be computed by reference to the closing price of the relevant Securities at the last practicable date before the publication of the Bid Document as stated in that document or, as the case may be, by reference to the estimated value of any unlisted Securities consideration given in the document.
- (4) This is the table referred to in (2):

| Value of the Bid in US\$ million | Fee in US\$ |
|---|------------------------|
| Less than 5 | 7,500 |

2. In relation to the giving of an estimated value of any unlisted Securities consideration, see TKO Rule 1.4.1 (m).

5.1.2 In all cases a note setting out the calculation of the fee must accompany the Bid Document provided to the DFSA. If the Bid is revised, a similar note must be provided with the revised Bid Document and any necessary further payment.

1. This section applies to returns or reports required to be provided to the DFSA under the Rulebook by a due date or within a specified period, including, without limitation, returns or reports required to be provided under GEN, AML, PIB, PIN, REC and AUD. It does not apply to a report that the DFSA requires a Person to provide under a discretionary power e.g. an independent expert's report.
2. The fees in this section are aimed at allowing the DFSA to recover some of its costs in following up failures to submit returns or reports.
3. Multiple fees may be payable by a Person under this section if the Person fails to provide more than one return or report on time. However, the amount of late fees is capped at \$4,000 for returns or reports due in a single calendar year.
4. If a return or a report is not submitted by the date on which it is due, the Person is in breach of a Rule and, in addition to being liable to pay the fee under this section, the DFSA is entitled to take action including, but not limited to, taking steps to withdraw its authorisation or registration.
