1 APPLICATION

1.1 Application

- 1.1.1** (1) This module (REP) applies to every Person who carries on, or intends to carry on, the Financial Service of Operating a Representative Office in or from the DIFC.
- (2) Unless otherwise stated, the Rules apply to a Representative Office only with respect to activities carried on from an establishment maintained by it in the DIFC.

Guidance

1. Because of the limited nature of the Financial Service of Operating a Representative Office much of the DFSA Rulebook has been disapplied for Representative Offices. While most of the key provisions applying to a Representative Office are contained in this module, a Representative Office should ensure that it complies with and has regard to other relevant provisions in other applicable DFSA Rulebook Modules including GEN chapters 1 to 3 and 11, CIR chapter 2 and sections 3.5 to 3.7 and FER. The application section of each Rulebook module sets out which chapters, if any, apply to a Representative Office. Some modules are of general application to all Authorised Persons such as GLO, ENF and OSR.
2. A Representative Office should also ensure that it complies with and has regard to relevant provisions of the Regulatory Law 2004 and Markets Law 2004. The Regulatory Law 2004 gives the DFSA a number of important powers in relation to Authorised Firms including powers of supervision and enforcement.
3. The Financial Service of Operating a Representative Office is defined in GEN Rule 2.26.1. By virtue of GEN 2.26.2 and 3.2.6, the Financial Service of Operating a Representative Office is a stand alone financial service activity.
4. Whilst much Representative Office activity will not involve a continuing relationship with the Persons to whom marketing is directed, where such a relationship is necessary, the Representative Office will need to be careful to ensure that it does not carry on any activities other than those prescribed under GEN Rule 2.26.2.
5. A Representative Office which undertakes a Financial Service which is outside the scope of its Licence will be in breach of Article 42(4) of the Regulatory Law 2004. If the DFSA believes that a Representative Office is in breach of Article 42(4), it may take steps which may include withdrawal of authorisation and formal enforcement action under the Regulatory Law 2004.

1.2 Interpretation

Guidance

1. Every provision of REP and any other module of the Rulebook should be interpreted in the light of its purpose. The purpose of any provision is to be gathered first and foremost from the text of the provision in question and its context among other relevant provisions.
2. Where this section refers to a provision, this means every type of provision, including Rules and Guidance.

3. Where reference is made in REP to another provision of the Rulebook or to another provision of DIFC legislation, it is a reference to that provision as amended from time to time.
4. Unless the contrary intention appears:
 - a. words in the Rulebook importing the masculine gender include the feminine gender and words importing the feminine gender include the masculine; and
 - b. words in the Rulebook in the singular include the plural and words in the plural include the singular.
5. If a provision in the Rulebook refers to a communication, notice, agreement, or other documents 'in writing' then, unless the contrary intention appears, it means in legible form and capable of being reproduced on paper, irrespective of the medium used. Expressions related to writing must be interpreted accordingly.
6. Any reference to 'dollars' ('\$') is a reference to United States Dollars unless the contrary intention appears.
7. References to Articles made throughout the Rulebook are references to the Regulatory Law 2004 unless otherwise stated.
8. Unless stated otherwise, a day means a calendar day. If an obligation falls on a calendar day which is either a Friday or Saturday or an official State holiday in the DIFC, the obligation must take place on the next calendar day which is a business day.

Defined terms

9. Defined terms are identified throughout the Rulebook by the capitalisation of the initial letter of a word or phrase and are defined in the Glossary (GLO). Unless the context otherwise requires, where capitalisation of the initial letter is not used, an expression has its natural meaning.

2 AUTHORISATION

2.1 Licence application

2.1.1 A Person, referred to in this chapter as an applicant, who intends to carry on the Financial Service of Operating a Representative Office must apply to the DFSA for a Licence by completing and submitting the appropriate form in AFN.

2.1.2 (1) An application to Operate a Representative Office may only be made by a Person who is:

- (a) incorporated; and
- (b) regulated by a Financial Services Regulator

in a jurisdiction other than the DIFC.

(2) The DFSA will not consider an application for a Licence from an applicant who intends to operate in the DIFC as a Domestic Firm.

2.2 Consideration and assessment of applications

2.2.1 An applicant will only be authorised to carry on the Financial Service of Operating a Representative Office if the DFSA is satisfied that the applicant is fit and proper to hold a Licence. In making this assessment the DFSA may consider:

- (a) whether the applicant is subject to supervision by a Financial Services Regulator;
- (b) whether the applicant's Financial Services Regulator in its home state has been made aware of the proposed application and has expressed itself as having no objection to the establishment by the applicant of a Representative Office in the DIFC; and
- (c) any other relevant matters.

Guidance

Section 2.2 of the RPP Sourcebook sets out matters which the DFSA takes into consideration when making an assessment of the kind under Rule 2.2.1

- 2.2.2** In relation to the assessment under Rule 2.2.1:
- (a) the applicant must demonstrate to the DFSA's satisfaction that it is fit and proper;
 - (b) the applicant must demonstrate to the DFSA's satisfaction that its Principal Representative is fit and proper;
 - (c) the DFSA will consider any matter which may harm or may have harmed the integrity or the reputation of the DFSA or DIFC;
 - (d) the DFSA will consider the activities of the applicant and the associated risks, and accumulation of risks, that those activities pose to the DFSA's objectives described under Article 8; and
 - (e) the DFSA will consider the cumulative effect of factors which, if taken individually, may be regarded as insufficient to give reasonable cause to doubt the fitness and propriety of an applicant.

2.2.3 A Representative Office applying to change the scope of its Licence, or to have a condition or restriction varied or withdrawn, must provide the DFSA with written details of the proposed changes.

Guidance

A Representative Office applying to change the scope of its Licence should bear in mind that it may have to change its legal structure. The process will involve a fundamental review of the Representative Office by the DFSA to ascertain whether the firm meets all the relevant criteria to enable the proposed change in scope of its Licence.

2.2.4 For the purposes of Article 9 (2) of the Law Regulating Islamic Financial Business 2004, a Representative Office will not be taken to be holding itself out as conducting Islamic Financial Business in or from the DIFC in circumstances where it:

- (a) does not represent that it provides, in or from the DIFC, any services that are in accordance with Shari'a; and
- (b) acts within the scope of its Licence, that is, does not carry on in or from the DIFC a Financial Service other than Operating a Representative Office.

Guidance

The Law Regulating Islamic Financial Business 2004, contains a prohibition against an Authorised Firm holding itself out as conducting Islamic Financial Business without first obtaining an endorsement to its Licence. An Islamic Financial Institution may operate a Representative Office in the DIFC but it is deemed not to be conducting Islamic Financial Business through its Representative Office. This is because of the limited nature of the financial services activity it is permitted to carry on and because it does not enter into client relationships in the DIFC. Accordingly, there is no requirement to obtain an appropriate endorsement to its Licence and the IFR module does not apply.

2.3 Withdrawal of a Licence

2.3.1 A Representative Office seeking to have its Licence withdrawn must submit a request in writing stating:

- (a) the reasons for the request;
- (b) that it has ceased or will cease to carry on the Financial Service of Operating a Representative Office in or from the DIFC; and
- (c) the date on which it ceased or will cease to carry on the Financial Service of Operating a Representative Office in or from the DIFC.

Guidance

The DFSA may act on its own initiative to withdraw a Representative Office's Licence. The circumstances in which the DFSA will do so are set out in Article 50(3).

3 CORE PRINCIPLES

3.1 Application of Principles

- 3.1.1** (1) The four Principles for Representative Offices set out in section 3.2 apply to every Representative Office in accordance with Rule 1.1.1.

Guidance

1. Under Rule 1.1.1(2), the principles apply, unless otherwise stated, only to the Representative Office in its capacity as a branch in the DIFC and not to the institution as a whole.
2. The Principles for Representative Offices have the status of Rules and are a general statement of fundamental regulatory requirements which apply alongside the other Rules and also in new or unforeseen situations which may not be covered elsewhere by a specific Rule. Rules in other areas of this module or the Rulebook build upon these fundamental principles. Consequently the Rules and Guidance elsewhere should not be seen as exhausting the implications of the Principles.
3. Breaching a Principle for Representative Offices makes a Representative Office liable to disciplinary action, and may indicate that it is no longer fit and proper to carry on a Financial Service or to hold a Licence and the DFSA may consider withdrawing authorisation or the Licence on that basis.
4. The onus will be on the DFSA to show that the Representative Office has been at fault in some way, taking into account the standard of conduct required under the Principle in question.

3.2 Principles for Representative Offices

Principle 1 - Integrity

- 3.2.1** A Representative Office must observe high standards of integrity and fair dealing.

Principle 2 – Due skill, care and diligence

- 3.2.2** In conducting its business activities a Representative Office must act with due skill, care and diligence.

Principle 3 – Resources

- 3.2.3** A Representative Office must maintain and be able to demonstrate the existence of adequate resources to conduct and manage its affairs.

Principle 4 - Relations with regulators

- 3.2.4** A Representative Office must deal with Regulators in an open and co-operative manner and keep the DFSA promptly informed of significant events or anything else relating to the Representative Office of which the DFSA would reasonably expect to be notified.

4 GENERAL PROVISIONS

4.1 General

4.1.1 A Representative Office must have a place of business within the geographical boundaries of the DIFC.

4.1.2 A Representative Office must not:

- (a) share an office with another Authorised Firm;
- (b) represent anyone other than itself or a member of its Group; or
- (c) permit any staff member to be an Employee of another Authorised Person.

Guidance

The DFSA would not consider that an Authorised Firm is sharing an office if that firm were located in serviced offices which were also the place of business of another Authorised Firm.

4.2 Fitness and Propriety

4.2.1 A Representative Office must at all times be fit and proper to hold a Licence

4.2.2 (1) A Representative Office must at all times have a Principal Representative who is resident in the UAE and who has satisfied the DFSA as to fitness and propriety.

(2) If the Principal Representative leaves the employment of a Representative Office, the Representative Office must designate a successor as soon as possible, and in any event within 28 days.

(3) If the DFSA considers that a Principal Representative designated under (1) or (2) is not fit and proper to fulfil the role for which he has been designated, it will give the Representative Office written notice to this effect.

(4) On receipt of a notice under (3), a Representative Office must within 28 days designate a new Principal Representative and notify the DFSA accordingly.

4.2.3 A Representative Office must ensure, as far as reasonably practical, that its Employees are fit and proper.

Guidance

1. Section 2.3 of the RPP Sourcebook sets out matters which the DFSA takes into consideration when making an assessment of the kind under Rule 4.2.3.
2. Where a Representative Office is no longer fit and proper or where its Principal Representative is no longer fit and proper, it will be in breach of the relevant Rule

and the DFSA may take steps to withdraw its Licence. Section 2.3 of the RPP Sourcebook sets out matters which the DFSA takes into consideration when assessing fitness and propriety of a Principal Representative.

4.3 Dealing with property

- 4.3.1** A Representative Office must not hold or control money or other property belonging to another Person except to the extent that this is necessary to deal with its ordinary business operating expenses.

4.4 Solvency

- 4.4.1** A Representative Office must notify the DFSA immediately upon becoming aware that it is unlikely to remain solvent in the near future or that it is insolvent.

Guidance

The requirement to notify is in respect of the institution of which the Representative Office forms a part.

4.5 Disclosure of regulatory status

- 4.5.1** A Representative Office must not:
- (a) hold itself out as able to carry on a Financial Service other than Operating a Representative Office; or
 - (b) otherwise misrepresent its status expressly or by implication.
- 4.5.2** (1) A Representative Office must take reasonable care to ensure that every key business document which is in connection with the Representative Office carrying on the Financial Service of Operating a Representative Office in or from the DIFC includes one of the disclosures under this Rule.
- (2) A key business document includes letterhead whether issued by post, fax or electronic means, written promotional materials, business cards, and websites but does not include compliment slips, or text messages.
- (3) The disclosure required under (1) is:

Past performance and forecasts

- 4.6.7** A Representative Office must ensure that any marketing material containing information or representations relating to past performance, or any future forecast based on past performance or other assumptions, which is provided to a Person is clear, fair and not misleading and contains a prominent warning that past performance is not necessarily a reliable indicator of future results.

4.7 Marketing of Foreign Funds

- (3) A Representative Office must ensure that the notification stipulated in (2) includes the following information:
- (a) a detailed description of the relevant activity; and

- (b) the action proposed to be taken or has been taken by the Representative Office with regard to the matters specified in the notification.

Guidance

1. In relation to the term “make appropriate use” in Rule 4.9.1 (1), this may mean that a Representative Office cannot provide a service for or on behalf of a Person or that it may need to undertake further due diligence in respect of a Person.
2. Relevant resolutions or sanctions mentioned in Rule 4.9.1 may, inter alia, relate to money laundering or terrorist financing or financing of weapons of mass destruction or otherwise may be relevant to the services provided by, or business activities of, the Representative Office. For example, a Representative Office should exercise due care to ensure that it does not provide any service to a Person engaged in money laundering or terrorist financing or financing of weapons of mass destruction.

4.10 Communication with the DFSA

- 4.10.1** A Representative Office must ensure that any communication with the DFSA is conducted in the English language.

5 REGULATORY PROCESSES

5.1 Notifications

5.1.1 A Representative Office must notify the DFSA as soon as reasonably practical of any change in its:

- (a) name;
- (b) legal status;
- (c) Controller(s); or
- (d) address.

5.1.2 A Representative Office must notify the DFSA as soon as reasonably practical of:

- (a) any breach of a Rule or of a provision of DFSA-administered legislation by the Representative Office; and
- (b) any materially adverse information which would on reasonable grounds be considered likely to affect the fitness and propriety of the Representative Office or Principal Representative.

5.2 Lead regulation

5.2.1 If requested by the DFSA, a Representative Office must provide the DFSA with information that it or another member of its Group has provided to a Financial Services Regulator.

Guidance

1. Under Article 39 the DFSA may exercise its powers for the purpose of assisting other regulators or agencies.
2. The DFSA may also delegate functions and powers to representatives of other regulators or agencies as prescribed in Article 40.

6 ANTI MONEY LAUNDERING

6.1 Introduction

6.1.1 A Representative Office must comply with the relevant Anti Money Laundering Laws and Rules which apply to its business.

Guidance

1. By virtue of Article 3(1) of Federal Law No. 8 of 2004, U.A.E. Law No. 4 of 2002 — Criminalisation of Money Laundering of the U.A.E. (U.A.E Law No. 4), the Federal Law No. 1 of 2004 regarding anti-terrorism, the U.A.E. Penal Code and any other Federal Law of the U.A.E. as applicable in the DIFC in relation to anti money laundering compliance apply to all operations in the DIFC.
2. The defined term of 'Money Laundering' in these Rules follows that in the U.A.E. Law No.4. The legal definition of the offence of 'Money Laundering' is set out in Article 1 of that law.
3. Representative Offices are reminded that the failure to report suspicions of Money Laundering may constitute a criminal offence that is punishable under the laws of the U.A.E.

6.2 Co-operation with regulators

6.2.1 A Representative Office which receives a request for information from a regulator or agency responsible for anti money laundering regarding enquiries into potential money laundering must promptly inform the DFSA in writing.

6.3 AML Responsibilities of a Representative Office

6.3.1 A Representative Office must ensure that its Principal Representative is responsible for all of its anti money laundering measures as they affect its activities carried on in or from the DIFC.

Guidance

Where a Representative Office has adequate systems and controls the DFSA may permit a Representative Office's head office or another Group company to be responsible for its compliance with all or some of its obligations in this chapter.

6.3.2 A Representative Office must ensure that its Principal Representative carries out and is responsible for the following:

- (a) compliance with applicable anti money laundering legislation applicable in the DIFC;
- (b) acting as the point of contact to receive notifications of suspicious transactions from the Representative Office's Employees ;

- (c) taking appropriate action following the receipt of a notification of a suspicious transaction from the Representative Office's Employees;
- (d) making, in accordance with U.A.E. Law No. 4, Suspicious Transaction Reports to the Anti Money Laundering Suspicious Cases Unit (AMLSCU) of the U.A.E. (if appropriate) and sending corresponding copies to the DFSA; and
- (e) acting as the point of contact within the Representative Office for competent U.A.E. authorities and the DFSA regarding money laundering issues.

6.3.3 A Representative Office must have appropriate arrangements to ensure that whenever any Employee, acting in the ordinary course of his employment, either:

- (a) knows or suspects; or
- (b) has reasonable grounds for knowing or suspecting;

that a Person is engaged in Money Laundering, the Employee notifies the Representative Office's Principal Representative of the suspicious transaction.

6.3.4 If a Representative Office's Principal Representative is notified or becomes aware of a suspicious transaction he must without delay:

- (a) investigate the circumstances in relation to the suspicious transaction;
- (b) determine whether in accordance with U.A.E. Law No. 4 a Suspicious Transaction Report must be made to the AMLSCU (if appropriate);
- (c) if required, make such an Suspicious Transaction Report to the AMLSCU; and
- (d) provide a copy of such an Suspicious Transaction Report to the DFSA at the time of provision under U.A.E. Law No. 4.

6.3.5 All relevant details in relation to suspicious transactions and Suspicious Transaction Reports must be kept for at least six years.

6.3.6 A Representative Office must ensure that its Employees receive regular training on their obligations under this Chapter.

Guidance

1. The requirement for Employees to make a suspicious transaction notification include situations when no business relationship was developed because the circumstances were suspicious.
2. A Suspicious Transaction Report should be made when there is knowledge or suspicion of money laundering. Suspicion is a personal and subjective assessment. Suspicion of money laundering requires a degree of satisfaction although this may not amount to belief, it should at least extend beyond mere speculation and should be based upon some foundation that money laundering has occurred or is about to occur.

3. An Employee who considers a transaction to be suspicious would not be expected to know the exact nature of the criminal offence or that the particular funds were definitely those arising from the crime.
4. Rule 6.3.3 makes reference to 'reasonable grounds for knowing or suspecting' which introduces an objective test rather than a subjective test of suspicion by assessing whether or not 'suspicion' was not reported because of a person:
 - a. wilfully turning a blind eye or ignoring a suspicious matter;
 - b. being negligent, that is wilfully and recklessly failing to make the adequate enquiries; or
 - c. failing to assess adequately the facts and information that are either presented or available.
5. Circumstances that might give rise to suspicion or reasonable grounds for suspicion may be:
 - a. transactions which have no apparent purpose and which make no obvious economic sense;
 - b. transactions requested by a Person without reasonable explanation, which are out of the ordinary range of services normally requested or are outside the experience of a Representative Office in relation to a particular Person;
 - c. the size or pattern of transactions, without reasonable explanation, is out of line with any pattern that has previously emerged;
 - d. a Person refuses to provide the information requested without reasonable explanation;
 - e. a Person who has just entered into a relationship uses the relationship for a single transaction or for only a very short period of time;
 - f. an extensive use of offshore accounts, companies or structures in circumstances where the customer's economic needs do not support such requirements;
 - g. unnecessary routing of funds through third party accounts; or
 - h. unusual transactions without an apparently profitable motive.
6. Representative Offices are reminded that in accordance with Article 16 of the U.A.E. Law No. 4, Representative Offices or any of their Employees must not tip-off any Person, that is, inform any Person that his transaction is being scrutinised for possible involvement in suspicious Money Laundering operations, or that any other competent authority is investigating his possible involvement in suspicious Money Laundering operations.
